The Nonprofit Coordinating Committee of New York (NPCC) serves the nonprofit community in many ways. We:

- Save members money through group-buying discount programs;
- Provide members with technical and managerial support;
- Inform members of government activities that impact them;
- Represent the nonprofit sector in legislative matters.

NPCC unites nonprofits from all subsectors — social services, the arts, religion, philanthropy, health, education, housing and economic development. Membership in NPCC provides a place where your voice is heard, and adds to the collective voice with which the entire nonprofit community is heard.
